Affordable Connectivity Program Eligibility

This map shows the estimated percentage of each county's households that were eligible as of 2021 for the federal Affordable Connectivity Program, which gives low-income households a discount on internet services.
Data Source: Department of Information Technology.

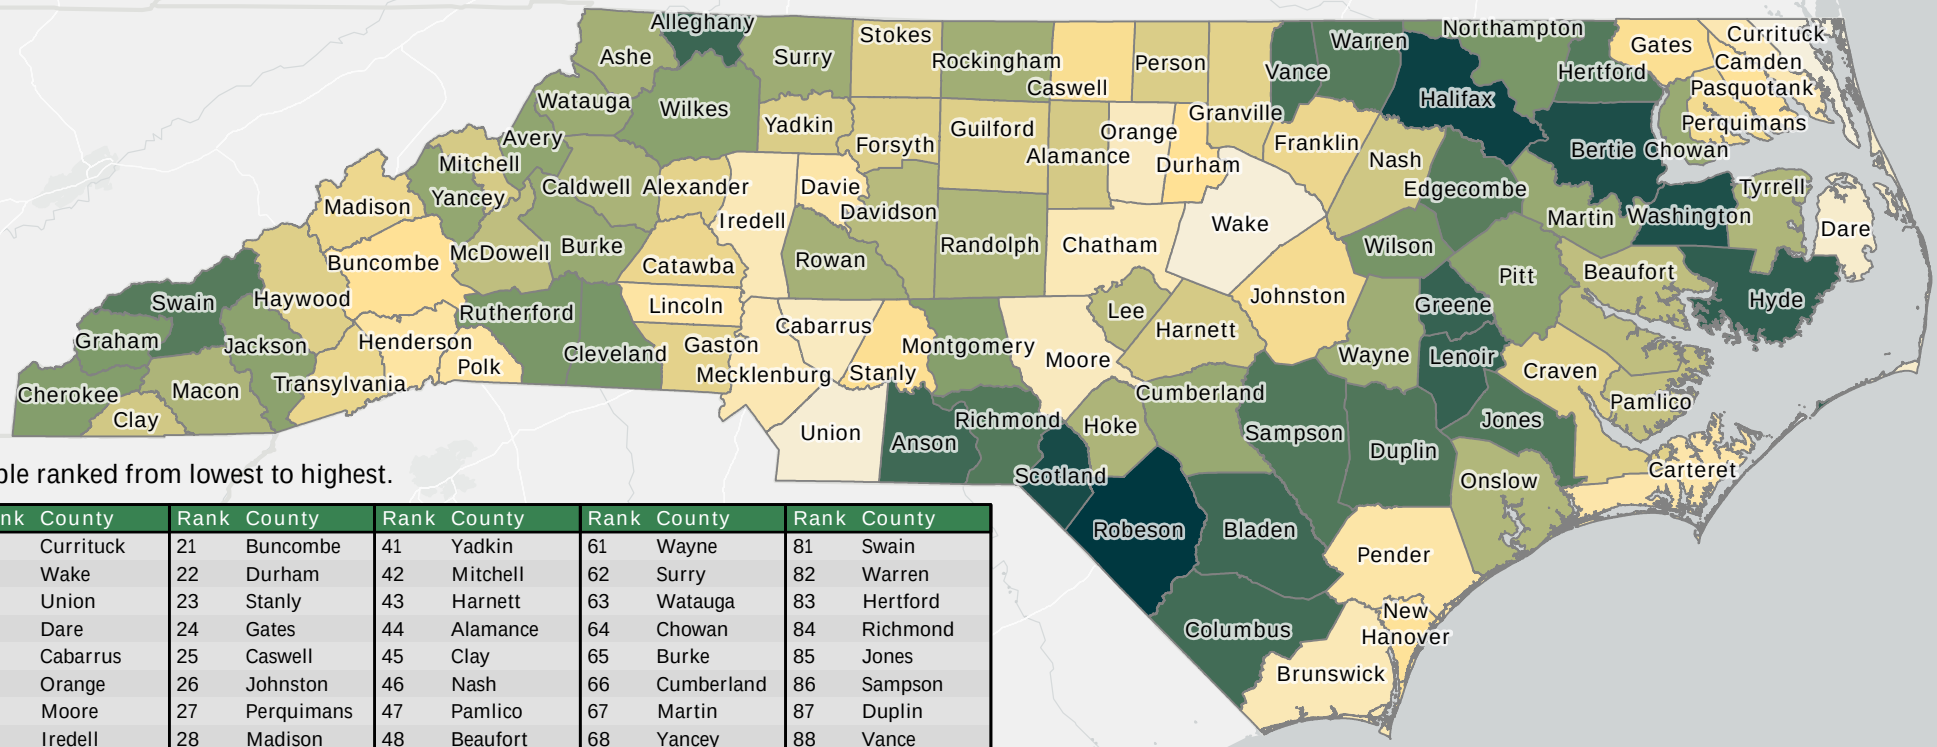

Table ranked from lowest to highest.

Rank	County	Rank	County	Rank	County	Rank	County	Rank	County
1	Currituck	21	Buncombe	41	Yadkin	61	Wayne	81	Swain
2	Wake	22	Durham	42	Mitchell	62	Surry	82	Warren
