Attn: County Managers, Finance Officers and Human Resources, Risk Control, Safety, Law Enforcement, and Emergency Management Directors/Managers

The Association's Risk Management Pools are planning regional meetings at four locations across the state for the benefit of member counties and related entities. These meetings are free of charge and will include a complimentary lunch.

The primary function and goal will be to discuss our expected renewal strategy and pricing for this next policy year. We will update members on any changes in the Pools and what generally is expected in the property and casualty insurance field from a marketing and coverage availability perspective.

Risk Control staff will provide an overview of efforts to help members control

their costs and outline future available training opportunities.

These meetings will be brief but will prove helpful in your efforts to begin your budgeting process. Registration opens at 9 a.m. Each meeting will begin promptly at 9:30 a.m. and conclude at noon with lunch.

Please mark your calendar and make plans to attend. We ask that you register using the form on the back of this page so that we can plan lunch accordingly.

Michael A. Kelly, CIC, CRM, ARM-P
Risk Management Director
