# What I learned

- I learned that Burke County has a 5 Member Board of Commissioners, elected at large to serve a 4 year term.
- Every two years, some commissioners terms are up for re-election, because the terms are staggered.
- We have a Chairman , a Vice Chairman, 3 Commissioners, and a clerk to the Board.

- **I have sat during a meeting on zoning.**
- **I have also attended other County Commissioners meetings to give the pledge.**

- **Doing my presentation**

**Thank You!**
