Noon Lunch

1 p.m. Standard Plans: How Do We Work with Prepaid Health Plans?

Facilitator: Kevin Austin, NCACC President Elect and Yadkin County Chair

DHHS announced in early February the selection of Prepaid Health Plans (PHPs) that will participate in Medicaid managed care when the program launches in November. This panel will include representatives of each of those PHPs, and will offer attendees the opportunity to learn about how counties will interact with PHPs, and how beneficiaries will receive services through an assigned PHP.

2:30 p.m. Tailored Plans: How Do LME/MCOs Fit In this New Structure?

Kevin Leonard, NCACC Executive Director

In early February, DHHS asked that the NCACC help establish regions for Behavioral Health, Intellectual and Developmental Disabilities Tailored Plans. Commissioners Ronnie Beale (Macon County) and Catherine Graham (Moore County) are leading a working group working to that end.

3 p.m. Conclusion: How Do I Stay Up to Date?

Kevin Austin, NCACC President Elect and Yadkin County Chair
